

In the Field of Sport

TIGERS EXPECT SUPREME TEST IN AMES GAME

Hawkeyes Carry Eleven Old Men, New Playing Style and an Efficient Machine.

AMES SCALPS ARE FEW

Previous to 1919 It Was Habitual for Iowans to Twist Tigers' Tail at Annual Grid Fest.

Just as the city had felt a bit shaky as he pines on the bank of the "Old Mill Stream" near his country cousin's farm before taking that first plunge off the spring into strange and chilly waters, so the Missouri Tigers are quivering ever so slightly before leaping into the deep sea of the Missouri Valley Conference football puddle Saturday.

The strength of the team the Tiger coaches have selected and groomed is as uncertain as the fate of the 10-to-1 shot in the Kentucky Derby. That they will fight as long as the watch in the hand of the time-keeper ticks off the precious 60 minutes of play is a sure bet. The potential ability of Ames or Missouri however, will be the factor that chalks up victory for one and defeat for the other.

The good battleship Ames will sail into the port of Tigertown tomorrow with Maury Kent at the rudder and a crew of stalwart farmers from Iowa tugging at the halyards, some eleven of whom are experienced seamen when it comes to bucking the rugged waves of Valley football. The visitors intend to offset the Old Gold and Black records of the past two years and re-establish the precedent of many years-old standing when the Iowa Collegians used to reign over the Missouri football teams in dynastical fashion. Missouri victories previous to 1919 over Ames were as infrequent as have been world's pennants in St. Louis.

Missouri followers and fans throughout the Valley will hear the verdict on Missouri's football team Saturday afternoon. The Tigers will meet a team differing in almost every respect from their own eleven. The visitors will have

a strong line, a fairly light backfield and a different style of play than Ames has used for many seasons. Coach Maury Kent has implicit confidence in his forward wall to rent holes in the best defense the Valley teams have to offer, and through these parting walls he hopes to shunt his speedy backfield on to the goal line and ultimate victory.

"Polly" Wallace, vouched by Walter Eckersall, dean of the grid critics of the west, as the best lineman come out of the territory west of the Mississippi in ten years, is the captain of the Ames contingent this season. As the opponent of this hulking Hawkeye, the Tigers will present Herb Bunker, a veteran of one season, but a terrible Tiger in the heat of battle. According to Trainer Lawler, Bunker may not be in the best of condition for the combat as he is now carrying a "charley horse" a relic of the tilt with the St. Louisans last week.

The Old Gold and Black will be short an ace in the backfield trick with Tony Bundschu on the shelf for at least two weeks toting a pair of floating ribs. Erwin Humes and John Knight are being trained to supplant him at the left half assignment.

The Tiger Varsity challenged Coach Maynor's youngsters last evening to a snappy skirmish. The eligibles smashed their way to an early score when Allan Lincoln, literally shook "off and stiff" armed a whole army of freshmen and emerged free from entanglements across the last chalk mark, which at the opening of his parade had been some 50 yards away. The freshmen came back immediately and with splendid power and drive on the part of Hudson, Graham and Bond, backfielders, cleared many dents in the Varsity line. Upon the strength of this same first line of defense, the best that Coaches Phelan and Jones can gather together, hinges the Tigers' hope for victory in the first conference game of the season.

BOWLERS WILL COMPETE

Tournament Is to Be Held in Des Moines Nov. 18 to Dec. 3.

DES MOINES, IOWA. (By Mail to United Press.)—More than 300 middle-western bowlers, including the Fort Wayne, Ind., team, which lost the American Bowling Congress championship to Montreal last spring, will compete here in the fourteenth annual tournament of the Middle-Western Bowling Association, from November 18 to December 3.

The entry list, which already contains seventy-five teams from Chicago, Minneapolis, Kansas City, Denver,

Wichita and Chicago, will close November 9, according to M. J. Locker, Des Moines, who is conducting arrangements for the bowlers.

The tournament will be held in a bowling parlor which opened here this month, known as one of the most elaborate in the country, and which contains fifteen alleys.

The Fort Wayne five, former A. B. C. champions, will compete first on November 26, and are given advantage by dopesters. Twenty-two Kansas City teams have been entered for competition beginning November 20. They will stay through the tournament and attempt to annex the 1922 tournament for their home city.

K. A.'S TROUNCE KAPPA SIGMAS

Winners Will Play Sigma Chi Team in Final Round for Fraternity Trophy.

The Kappa Alpha baseball team came through the finals today when they won from the Kappa Sigmas by a score of 13 to 3. Heavy hitting by the Kappa Alphas featured the game. Whitehead and O'Reilly each got a home run in the early innings.

The Kappa Sigmas looked like strong contenders at the start, but seemed unable to do anything with Swanson's deliveries after the first two innings. Spieker, pitching for the Kappa Sigmas, was hit freely getting three strikeouts to Swanson's twelve. Each walked two men and Spieker hit one.

The winning Kappa Alphas will play the first of a three game series with the Sigma Chis at 9 o'clock Saturday morning. The winner of two of the three games will be allowed to keep the baseball cap in their house until next year, when they will have to defend their title to it.

The score by innings:

	R	H	E
Kappa Sigma	0	0	1
Kappa Alpha	1	3	4

Batteries: Kappa Sigma, Spieker and Pratt; Kappa Alpha, Swanson and O'Reilly.

WITH THE FRESHMEN IN THE TIGER CAMP

Freshman football material at Missouri is far above the average according to E. A. Maynor, freshman football coach, and others who have looked the men over. Weight, height and experience in larger proportions than ever before indicate that the varsity coaches next year will have a wide range of good material from which to pick men to fill the gaping holes that will be left.

Among the men who have thus far shown up the best are:

Fowler, Forest, weight, 175 pounds; height, 5 feet 10 inches. Fowler hails from Kansas City and played on the Central High football team for three years. He was captain last year. Quarter-back was his position there, but he has been shifted to a half down here. Fowler is an exceptional punter. He is expected by the coaches to become one of the greatest in this part of the country if not in the United States. In practice games he consistently punts 55 yards in high spirals and with almost perfect form.

Graham, S. P.; weight, 184 pounds; height, 6 feet 2 inches. Gallatin, Mo., is his home town and he played two years on the high school football team there. He is an overseas veteran and was wounded in the hand and foot. While in the army he played on the football team at Camp Meade and was a member of the team of Base Section 1 in France. His age gives him a mature judgment that places him far above the average because of his steadiness. He has been

C. H. S. BADLY CRIPPLED TO PLAY SEDALIA FRIDAY

Will White, Stewart, Wightman, Fish, and Ficklin, 5 Regular Men, Not Able to Play.

The Columbia High School football team will play Sedalia tomorrow afternoon at Sedalia. The team will leave on the Katy tomorrow morning and will be accompanied by a few loyal rosters.

After the decisive defeat given the Montgomery eleven the Kewpies were badly crippled. Tackles Will White and Stewart were injured and will not be in tomorrow's lineup. They are both regular string men and their absence from the game greatly lessens the Kewpies' chances for a victory.

A week of light scrimmage has added Ends Fish and Ficklin to the sick list. Captain Wightman has once more slipped into the ranks of the ineligible and will be unable to play. In short the Kewpies will enter the game with Sedalia short five regular men and with the entire team injured or crippled in some fashion.

GAME WITH MUTES TOMORROW

University High to Send 170-Pound Line Against Fulton Team.

The football team representing the Fulton Deaf and Dumb Institute, will come to Columbia tomorrow in an effort to even things up with the high schools of the city.

Columbia High School defeated the Mutes at Fulton two weeks ago by the count of 13 to 0, and a comparison between the two local high schools may be drawn after the University High School-Fulton game tomorrow, on the Freshman field.

Coach Langston will send a 170-pound line against the mutes and expects at least three men: Short (tackle), Bozart (center), and Moss (right end) to give a good account of themselves.

In the backfield he has Brink (left half), captain of the team, and Jacobs, a good rangy fullback, who are sure ground gainers.

The team has shown considerable improvement since its game with Central Wesleyan College last Saturday and is taking football seriously.

A "pop" meeting was held at 11 o'clock today in the high school building and the squad expects to "clean up" on the remaining teams on the football schedule.

DOUGLASS SCHOOL TO PLAY

Lincoln Institute H. S. Department Is First on Schedule.

The Fred Douglass School, negro, football team will play the Lincoln Institute high school department eleven of Jefferson City at 2:30 o'clock tomorrow afternoon at the Columbia fairgrounds.

This will be the first game of the season for the Douglass team which is in fair shape, according to J. E. Jones, principal. J. Z. Moseley is the football coach.

SUMMA BACK TO PIRATES

Former Tiger Outfielder to Make Trip With Pittsburgh.

Homer Summa, star Tiger outfielder in 1914, will make the training trip next Spring with the Pittsburgh Pirates after a brilliant season's playing with Rochester, in the International League. The former Missouri athlete was one of the leading hitters in the league.

In 1915, Summa tried out with the Cardinals but was sent to Birmingham in the Southern League. From there he was transferred to the Virginia League.
